

How to see the signals in your cabin

STP TRADING

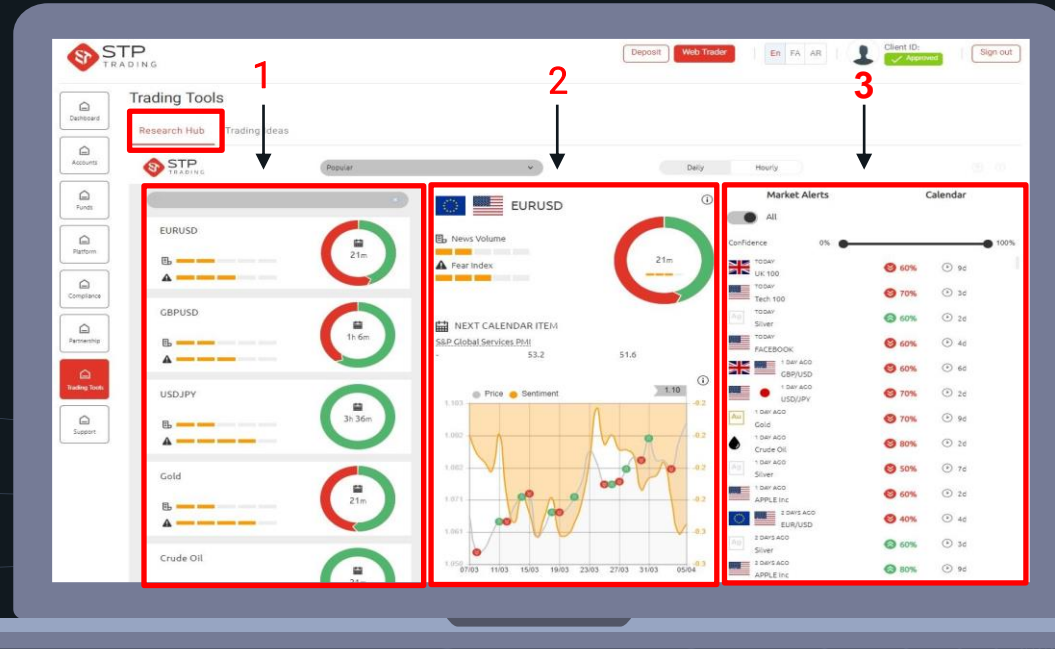

WWW.STPTRADING.IO

First go to the broker's website and log in your cabin

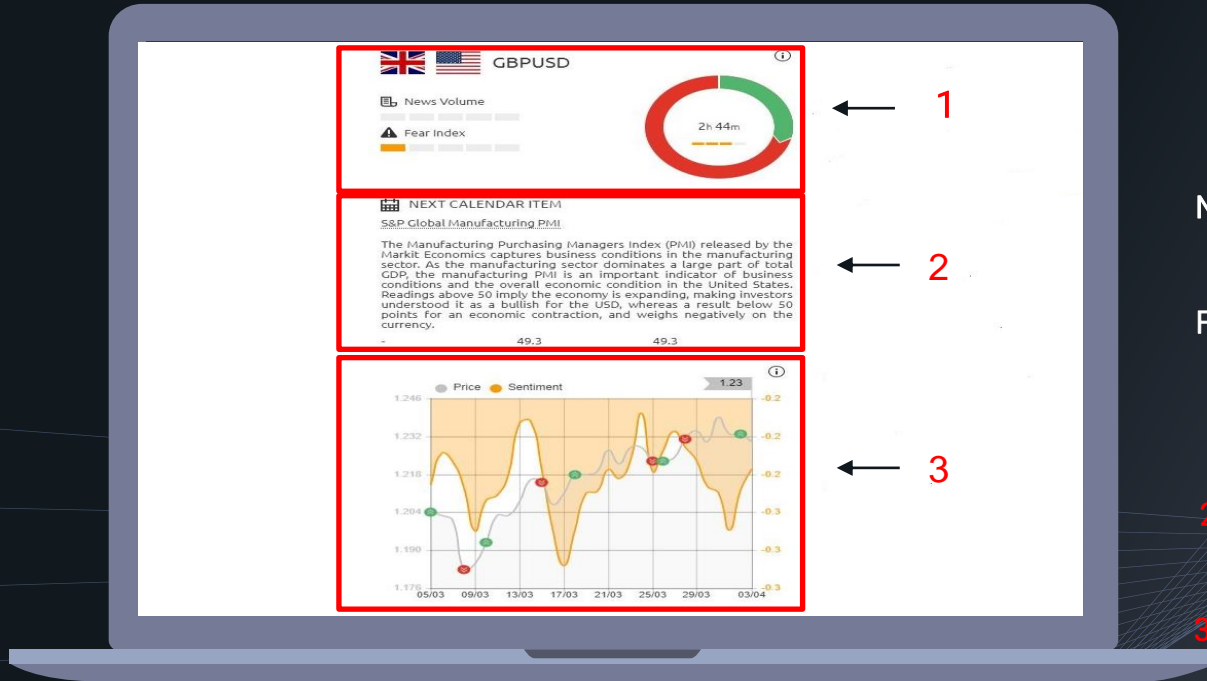

Select the **trading tools**

1- In this part, you can check or search for any trading instrument.

2- You can see the details of the instruments here.

3- You can get informed of the alarms for the time of expiration of each instrument in this part.

1- The chart that shows the strength of the pairs.
 Red depicts the strength of sellers and green illustrates the strength of the buyers.

News volume: shows the impacts of the news on the pairs.

Fear index: expresses the rate of fear in a way that if there is more fear in the market the less valuable that market or share is.

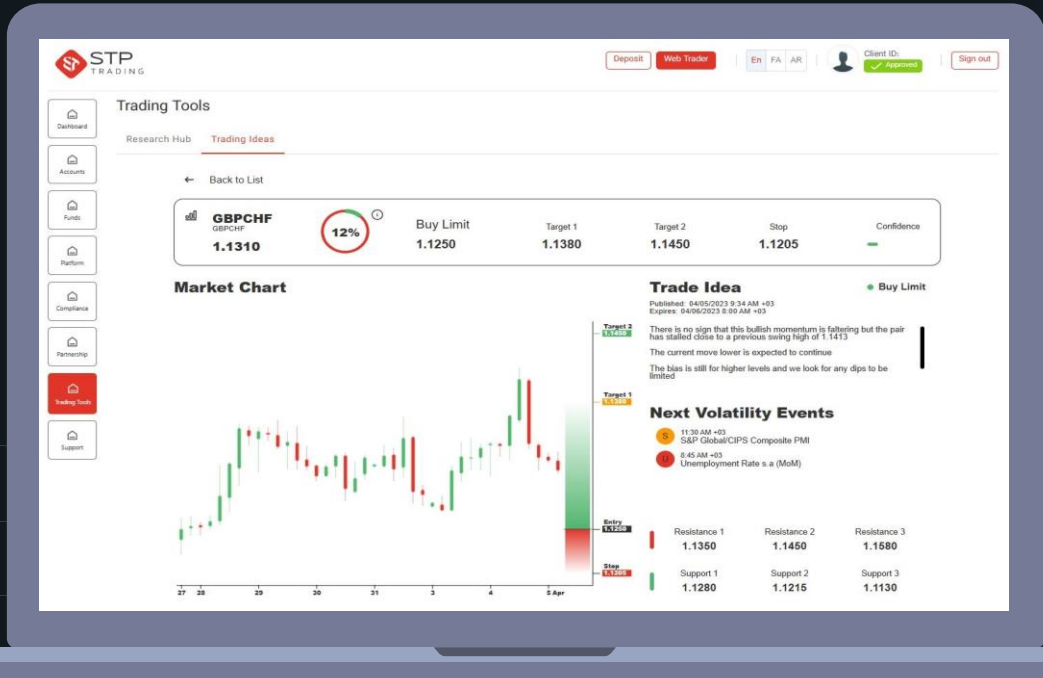

2- You can observe the major news about the instruments here.

3- The chart that shows the strength and price of the pairs.

In this part you can see the **trading tools** and **trading ideas** of all of the assets and instruments based on their confidence.

You can click **sell** or **buy** buttons for your desired pairs.

You can observe the complete details about the signals here and choose them based on your strategy
