

How to do internal transfer between accounts (Android/iphone)

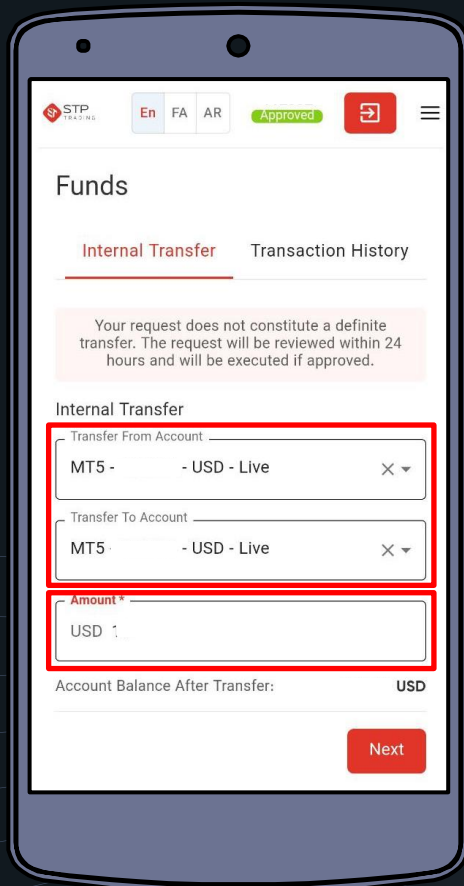

STP TRADING

[WWW.STPTRADING.IO](http://WWW.STPTRADING.IO)

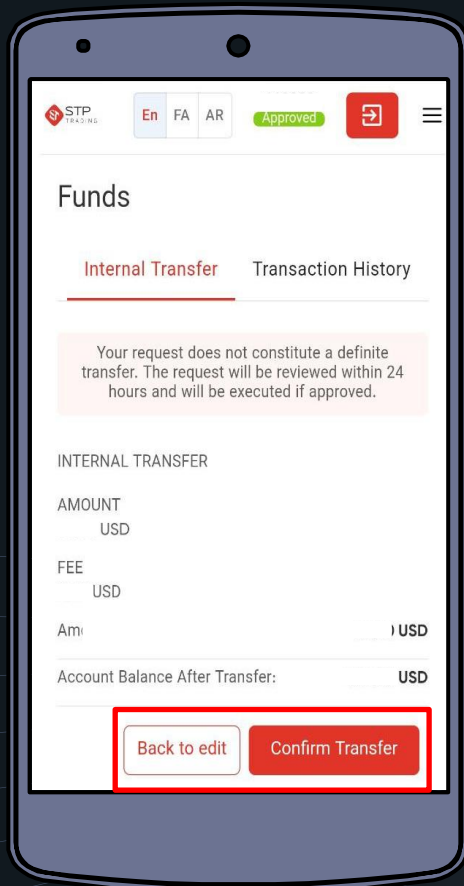

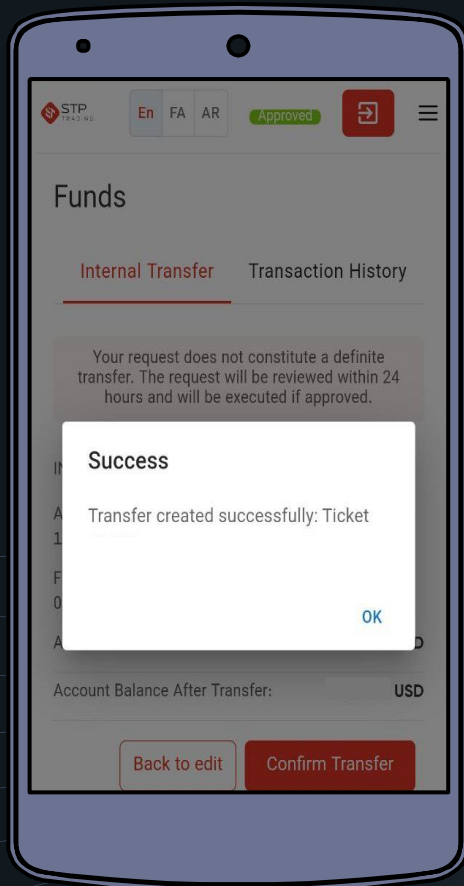

First, enter your personal cabin, then enter the financial section and select the **internal transfer** option

First, select the account from which you want to transfer the **desired amount** and then select the account to which you want to transfer the **amount**, and finally enter the desired amount to transfer

If you are sure of your internal transfer, select the option to **confirm the transfer**, or if you have not entered the information correctly, select the option to **return to editing**.

Your request has been successfully registered

Your request does not mean that the money transfer is completed The request will be reviewed within the next 24 hours and will be processed if approved.

**STP** Trading is one of the fewest **NDD** trusted brokers which provides safe services to the traders around the world. All STP Trading accounts are connected to the major reference Banks in England, USA, etc. Experience all types of STP Trading accounts with tight floating spreads on a fast platform.
