

How to do internal transfer between accounts Windows version  
**STP** TRADING

**WWW.STPTRADING.IO**

The screenshot displays the STP TRADING web interface. At the top, there is a navigation bar with the STP TRADING logo, a 'Deposit' button, a 'Web Trader' button, and language selection options (En, FA, AR). A user profile icon shows 'Client ID: 112332' and a green 'Approved' status.

The main content area is titled 'Funds' and contains a horizontal menu with the following options: Deposit, Withdraw, **Internal Transfer** (highlighted with a red box and a red arrow pointing to it), Transaction History, Bank Accounts, Other Accounts, and STP Transactins.

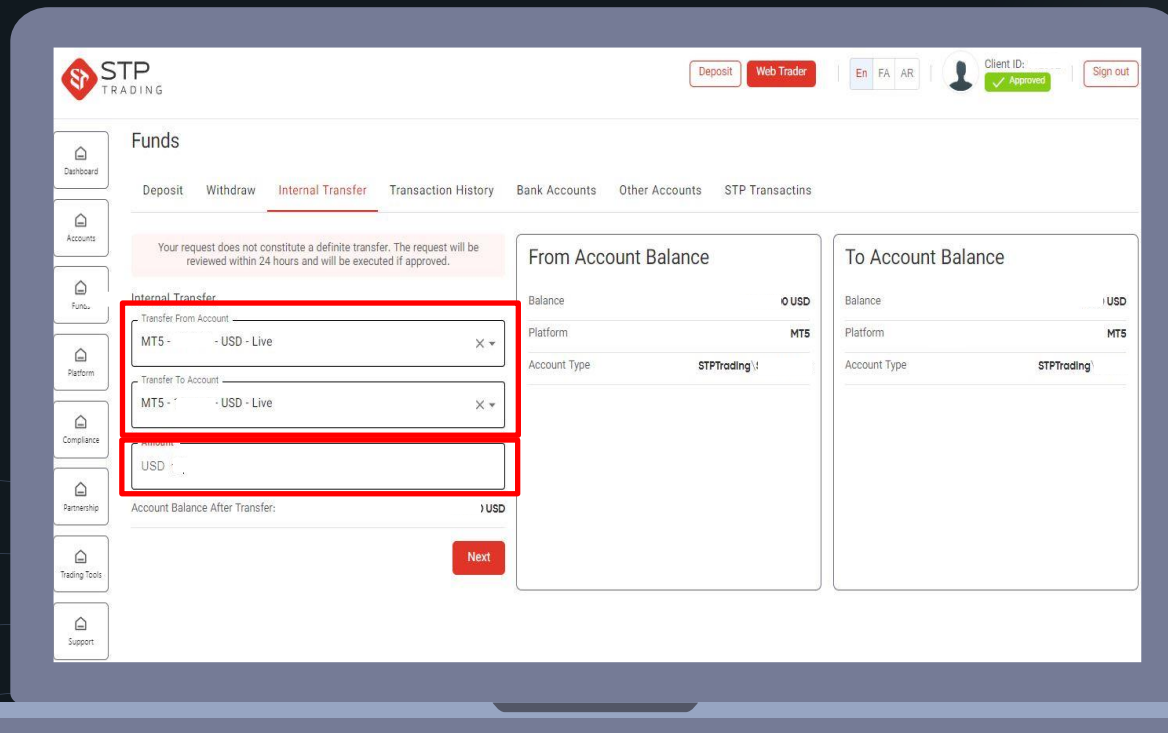

Below the menu, a warning message states: 'Your request does not constitute a definite transfer. The request will be reviewed within 24 hours and will be executed if approved.'

The 'Internal Transfer' section includes the following fields and options:

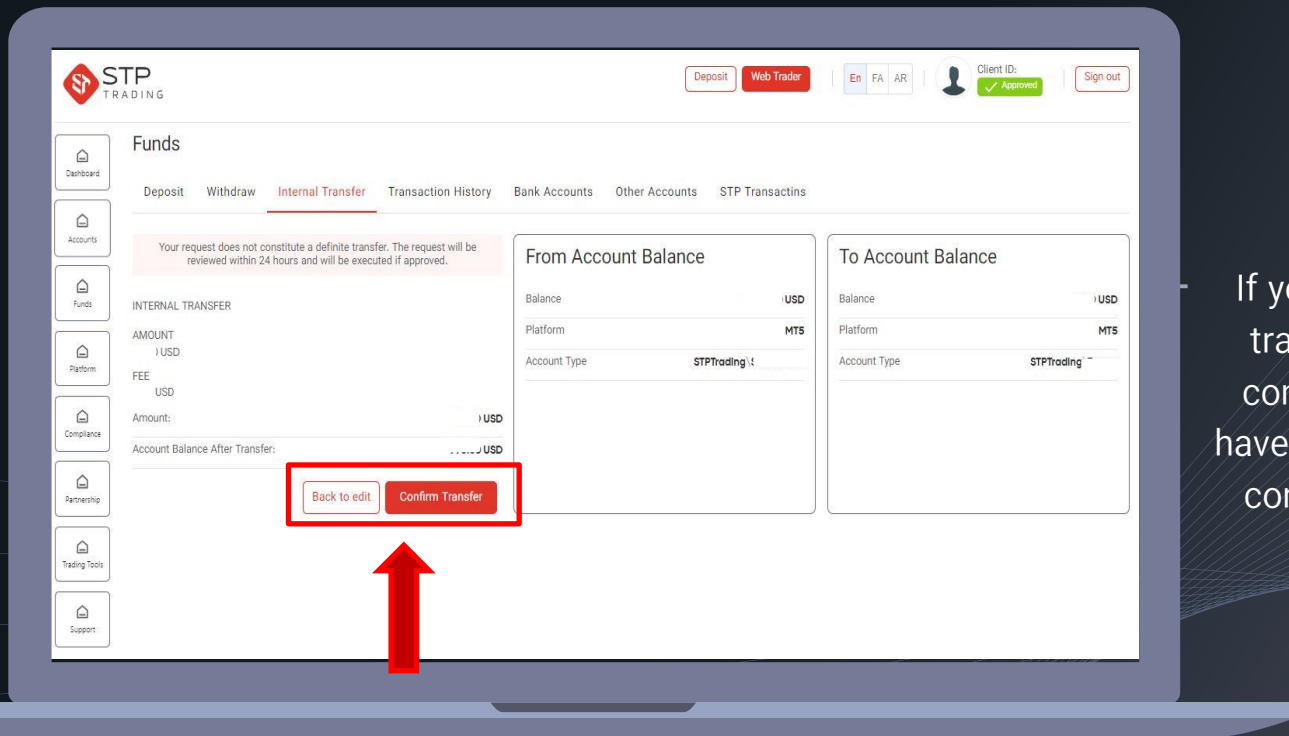

- 'Transfer From Account' dropdown menu
- 'Transfer To Account' dropdown menu
- 'Amount' input field with 'USD' entered
- 'Account Balance After Transfer:' label with a value of '0.00'
- A red 'Next' button

A sidebar on the left contains icons for various sections: Dashboard, Accounts, **Funds** (highlighted with a red box), Platform, Compliance, Partnership, Trading Tools, and Support.

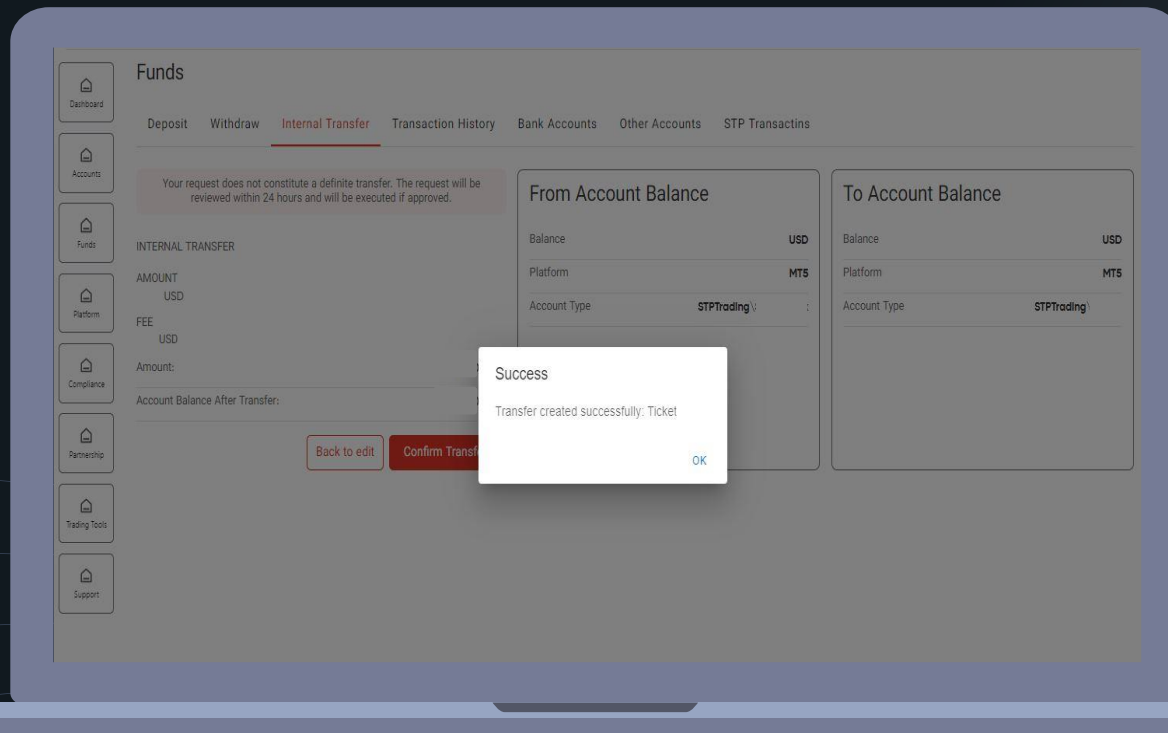

First, enter your personal cabin,  
then enter the financial section  
and select the **internal transfer**  
option

First, select the account from which you want to transfer the **desired amount** and then select the account to which you want to transfer the **amount**, and **finally** enter the desired amount to transfer

If you are sure of your internal transfer, select the option to confirm the transfer, or if you have not entered the information correctly, select the option to return to editing.

Your request has been successfully registered

Your request does not mean that the money transfer is final. The request will be reviewed within the next 24 hours and will be processed if approved.
